

John Baker Bobcat 'Paw'tners

Dear community partners,

Over the past few years we have made great strides in increasing the amount of community support we receive at John Baker Elementary. To help you take advantage of all our potential advertisement opportunities we have developed the following support packages.

Funds raised by the John Baker PTO help to improve our school through additional educational tools, physical education programs, and teacher support. We hope you this approach to supporting John Baker will help your business as much as it helps our school.

The John Baker PTO is a non-profit organization, and as such, your donation is tax deductible.
